### A Resolution Worth Making

Have you ever tried to make a change that didn't last? According to a 2016 study, only 41% of Americans make resolutions each year. But by the end of the year, only 9% feel they were successful in keeping them. Why are healthy habits so difficult to keep? On New Year's Day, we will explore scripture to discover an important step toward making resolutions stick. Join Pastor Joey Oh to explore keeping New Year's plans in place.
