Read your Bible in 2021! The pastoral staff encourages you to make the decision to read your Bible through in 2021. Join those of us who do this as an annual discipline. Try something new--like reading the *One Year Chronological Bible*, New Living Translation." As a companion in reading, try *Nelson's Compact Bible Handbook*. It will enrich your reading experience. Visit our website at lluc.org to find out more about these resources.

First. Second. Third. Fourth is the sermon series to start 2021! Has anyone else breathed a sigh of relief that 2020 is done?! Is anyone else thankful for the beginning of a new year?! It's been a long time since we've lived through a year as challenging as 2020. And yet, it's over. Done. It has slipped into history . . . soon to be remembered by tee-shirts with captions like, "I survived 2020!" And so a new year begins. How do we make this year a successful one? What decisions should we make as we step into this new year? Priorities--what if we begin by setting priorities for a healthy life? In order to do so, we need to decide what comes First. Second. Third. Fourth. Scripture will help us sort through not just what items should be on our list and what place each should occupy; it will also help us know how to make such decisions stick. Four pastors join together to sort through this theme. Join us for a study of *First. Second. Third. Fourth.*
