Understandable

You can understand the Bible!

Isn't understanding the Bible the quest of every committed Christ-follower? Wouldn't every disciple who follows Jesus desire to understand his Word? And most important: *Doesn't Jesus want us to understand his Word?*

Yet research shows that nearly a quarter of those who say they follow Jesus *rarely or never* read their Bibles! The same study found that only 14% of Christians read their Bibles daily, while 21% say they read it several times a week, and even less, 12%, say they read it monthly.

Most Christians would confess that Scripture is the primary means through which God speaks to us. If that is true, why are the numbers of those who read it so staggeringly low?

Maybe the core answer is simple: *We tend to read what we understand and avoid what we don't.* Could it be that simple? If so, wouldn't reading the Bible regularly rise dramatically if we just knew one thing: That the Bible is *Understandable?*
