Tangled

When Conflict Snarls Your Relational Wires

Conflict is a fact of life. In fact, like it or not, *ready or not*, here it comes! And too often the result of conflict is tangled and snarled relational wires.

Family. Work colleagues. Dorm roommates. Siblings. Spouses. Neighbors. It doesn't really matter what relationships we consider (*does it?!),* conflict is complicated.

Could you use some help to unsnarl those relational wires?

Tangled addresses conflict, boundaries, and reconciliation—and does so from a biblical perspective. Jamie Stodola and Randy Roberts partner to address this important theme.

This series will be accompanied by a seminar entitled, "Untangling Our Relationships" with Bryan Cafferkey, MDiv, PhD, from the Counseling and Family Sciences faculty of Loma Linda University. Look elsewhere in this bulletin for further information.
