New Summer Sermon Series June 25 - July 30

Sanctified; God Dwells in the Builders Not the Building

Saint Peter's Basilica in Rome, Jerusalem's Wailing Wall, the majestic mosque in Mecca—we are driven to sanctify places, to locate and limit the presence of the Divine. Perhaps, this is our final attempt to control God, to imprison Him in beautiful buildings. But what if the Creator of the universe desires to abide in *us*; what if He lives not in conspicuous cathedrals but in *us*? Join us this summer as we consider what happens when we serve a God who does not dwell in the building but makes His abode in the builders.
