Sanctified; God Dwells in the Builders Not the Building

Saint Peter's Basilica in Rome, Jerusalem's Wailing Wall, the majestic mosque in Mecca—we are driven to sanctify places, to locate and limit the presence of the Divine. Perhaps, this is our final attempt to control God, to imprison Him in beautiful buildings. But what if the Creator of the universe desires to abide in *us*; what if He lives not in conspicuous cathedrals but in *us*? Join us this summer as we consider what happens when we serve a God who does not dwell in the building but makes His abode in the builders.

Jennifer is a licensed clinical social worker at the VA Loma Linda Healthcare System, and Christopher is a respiratory care practitioner at San Geronio Memorial Hospital. Conner Thall's relationship with God has grown since going to college. He will soon graduate from nursing school. He wants to heal people in God's name which has inspired his desire for baptism.
