Discipleship–Camp Meeting 2020: "Growing Disciples" is the purpose of the Loma Linda University Church. Those two words express our core reason for being. This purpose grows out of Jesus' command to "go . . . make disciples of all nations" (Matthew 28:20, TNIV). Anyone engaged in disciple-making quickly realizes that it is a relationally-laden endeavor. Life must touch life. Story must intersect with story. Heart must connect with heart. And then came COVID-19 and social distancing . . . and so much changed! No longer do lives touch in the same way they did or churches gather in the way they used to. So many feel alone. What does that mean for growing disciples? What does that mean for disciple-making? Join other disciples on the journey as we explore the realities of *Traveling Alone Together* August 1-29.

Auditions for the Loma Linda Academy symphony and concert orchestras 2020-2021 school year will be held via video submissions. String, woodwind, brass, and percussion players, student ages 7-18, are invited to audition. The symphony orchestra's highlight this school year will be a tour of Italy in June. Please contact llaorchestras@gmail.com for more information. Audition video deadline is today.
