## Church Life

**Please keep the Beirut community** in your prayers as it struggles to recover from the recent explosion at its port. Many in the Loma Linda area went to school in Beirut and have family or friends living there.

**Discipleship–Camp Meeting 2020:** “Growing Disciples” is the purpose of the Loma Linda University Church. Those two words express our core reason for being. This purpose grows out of Jesus’ command to “go . . . make disciples of all nations” (Matthew 28:20, TNIV). Anyone engaged in disciple-making quickly realizes that it is a relationally-laden endeavor. Life must touch life. Story must intersect with story. Heart must connect with heart. And then came COVID-19 and social distancing . . . and so much changed! No longer do lives touch in the same way they did or churches gather in the way they used to. So many feel alone. What does that mean for growing disciples? What does that mean for disciple-making? Join other disciples on the journey as we explore the realities of *Traveling Alone Together* August 1-29.

**Estate planning:** Is your Estate Plan in place and up to date? For more information and a virtual visit, contact Betsy Matthews at the church office (909)558-4570.

**UReach Thrift Store:** Due to new California state orders, the thrift store will be closed and not accepting donations until further notice.
