There is increasing evidence that vaccinated individuals can spread the new variant even when they are asymptomatic. Because the number of cases is now beginning to impact our hospital systems, based on the guidance of medical professionals and the SECC, we strongly recommend that everyone wear a mask at indoor church gatherings regardless of vaccination status until further notice. Thank you for helping us keep our community healthy.

UReach Ministry UReach Café volunteers and transit drivers are needed. The Transit Ministry is like a taxi service, and drivers ferry clients to different places in the community. If you have a morning available to volunteer, call Simone Dennis at (909)645-2719.
