### You Are His Personal Concern *What if living without fear is possible?*

*What if living without fear is possible?* How many lives would be changed by that one simple truth?

*And what if one of those lives was yours?*

Fear—and its close relative, *anxiety*—haunts countless people. It may gnaw at the pit of your stomach or shake you at the core of your being. It may raise the hair on the back of your neck or turn the hair on your head gray. It may slowly erode the core of your life or demolish the center of your spiritual life. But however you experience it, its effects are real and often overwhelming. So the prospect—even the slight possibility—of living without fear is most appealing. *But if such is possible*, how does one do it? Does such a solution come in a bottle of pills, a bottle of herbs, or a bottle of drink? Not in a bottle at all, it turns out, but in a book—a book that teaches us the truth about God—the God who has too often cause our fear.

Maybe it's the truth about *God* that will heal our fear.
