The Lies That Define Us

What we believe, we become. Throughout Scripture, God highlights the incredible power of positive belief in shaping our lives. That's why he consistently urges his followers to believe that what he says is true.

Yet, what happens if the beliefs we hold are false? What if the stories we tell ourselves about ourselves are destructive to ourselves? In this series, we will confront the lies we tell ourselves so we can listen to the truth that Jesus speaks to us.

Lessons for Families

What is the foundation of a healthy Christian family? And how does that foundation affect the rest of the family's life? In fact, what does it even mean for disciples to live in family relationships? Are the marriages, is the parenting, are the sibling relationships of disciples unique in any way? How does discipleship—*this lifelong, life-changing journey with Jesus*—influence or affect how disciples live in their homes?

Return to the classroom in this series! Come prepared to take notes and learn and grow!

More than that, come prepared to allow the Spirit of Jesus to be the foundation, the sum and substance, of your family's life.
