Baptisms

Delilah & Michael Chavez are choosing, as husband and wife, to commit themselves to Jesus and live whole-heartedly for him. Getting baptized confirms their desire to live more abundantly for His purpose and glory. They are devoted to three children and wish to lead their family by example and dedication to the Lord.

Yolanda Martinez has grown in her relationship with Jesus since becoming a mother. Her baptism demonstrates her commitment to Christ. She wants to keep strengthening her relationship with him and share his grace with others, including her husband Dominic and children Wyatt and Emily. She enjoys camping, hiking, and crafting. She also enjoys community service and has recently started working with LLUC Children's Ministry.

Current Series

Covenant Lessons for Families

What is the foundation of a healthy Christian family? And how does that foundation affect the rest of the family's life? In fact, what does it even mean for disciples to live in family relationships? Are the marriages, is the parenting, are the sibling relationships of disciples unique in any way? How does discipleship—*this lifelong, life-changing journey with Jesus*—influence or affect how disciples live in their homes?

Return to the classroom in this series! Come prepared to take notes and learn and grow!

More than that, come prepared to allow the Spirit of Jesus to be the foundation, the sum and substance, of your family's life.

October 8 - Randy Roberts, LMFT
