You Are His Personal Concern
What if living without fear is possible?

What if living without fear is possible? How many lives would be changed by that one simple truth?

And what if one of those lives was yours?

Fear—and its close relative, *anxiety*—haunts countless people. It may gnaw at the pit of your stomach or shake you at the core of your being. It may raise the hair on the back of your neck or turn the hair on your head gray. It may slowly erode the core of your life or demolish the center of your spiritual life. But however you experience it, its effects are real and often overwhelming. So the prospect—even the slight possibility—of living without fear is most appealing. But *if such is possible*, how does one do it? Does such a solution come in a bottle of pills, a bottle of herbs, or a bottle of drink? Not in a bottle at all, it turns out, but in a book—a book that teaches us the truth about God—the God whom we have too often misunderstood and of whom we have thus been afraid.

Maybe it's the truth about *God* that will heal our fear.

In Not Of with Pastor Joey Oh

Since the beginning of this decade, our world has experienced significant and rapid changes. The global pandemic, economic instability, and ongoing discussions about important social issues such as race, gender, and sexuality have permanently altered our lives. As we navigate these shifts, many Christians are left wondering how to engage with this constantly changing culture.

This question has been asked throughout history, and it is one that Jesus himself addressed in his final prayer before his crucifixion. Despite facing unimaginable torment, Jesus spent his final moments interceding for his disciples, knowing that the changes to come would bring uncertainty and doubt. His message was clear—we must be in this world, but not of it. Throughout this series, we will explore Jesus's final prayer to learn our role in a world full of change.
