

WELCOME

GUESTS, FRIENDS & FAMILY,

Thank you for joining us!

We are excited to have Ty Gibson, David Asscherick, and Jeffrey Rosario from Light Bearers Ministry here with us for our annual Week of Spiritual Renewal. Week of Renewal is a campus-wide effort between LLU, LLUH, and LLUC. Each morning, January 8-12, you are invited to tune in on our church website for an inspiring daily devotional at 8 a.m. The devotionals will feature patients and employees from LLUH. At 11 a.m. you are also invited to attend LLU chapel in person (LLUC Sanctuary) or online to hear Ty Gibson and David Asscherick share messages in a series called “Realigion.”

This year is unique from other Week of Renewals, because of a special evening series called, “Unbelievable.”

It’s a principle of relationships that if you want to get to know someone really well, you don’t just hang out with that person alone but with their friends and family too. Their relationships with others will bring out sides of their personality that you would never otherwise see on your own.

Similarly, it’s impossible to get to know God really well when you are all alone. Community–relationships with others–allows us to discover facets of His character that would otherwise remain hidden to our knowledge. This is the purpose of these meetings: to discover the unbelievable good news of the gospel in Scripture with enhanced clarity because of each other’s presence.

Whether you are seeking God for the first time or you’ve been going to church for years but the good news just sounds too good to be true, we want to go on a journey together to show you that the gospel is too good not to be true. Over nine days, we’ll dive into Scripture with an eye single to this aim– and we are thrilled you’re coming with us!

The Unbelievable series in the evenings is out of our desire to provide something later in the day for those who cannot attend the morning series, as well as our desire to kickoff 2024 with our LLUC church family and friends in a way that will RENEW us spiritually. We want to RENEW| DEEPER. STRONGER. TOGETHER., with you.

May God richly bless each one of you as you start the new year focused on growing deeper in your discipleship journey Jesus.

Randy Roberts

Senior Pastor, Loma Linda University Church
Vice President, Spiritual Life and Mission, Loma Linda University Health

Whether you’re joining us online or in person, we encourage you to do three things to make the most of your experience:

1. Be present. Turn off your phone notifications during the messages. Discuss each message with your friends and family.
2. Take notes. Even if you never look at your notes again, the process of taking them can help commit the truth to memory. This book is a great place to journal your main takeaways.
3. Pray. Living in a spiritual as well as material world, we need the Holy Spirit to help us understand the Bible. So pray, on your own and with others. Ask God to reveal Himself to you in a new way.

May our time together cause us to forever know that the unbelievable is, in fact, believable.

Session 10

FROM GLORY TO GLORY

Augustine said, “Love God and do as you please.” Is that idea heresy or truth? The answer is found in Paul’s story of the woman in Romans 7. When we are drawn to Christ out of love, we will do as we please and it will be glorious obedience in Christ.
